Custom Trim Design Contract

Please provide trim drawing below. **Be sure to include color side, measurements for all sections, angle/degree of bend, and hems.**

IF THERE IS MISSING INFORMATION ON THE TRIM, YOUR TRIM WILL BE REJECTED UNTIL THE ISSUES ARE CORRECTED.

ONE SPECIAL TRIM DESIGN PER CUSTOM TRIM CONTRACT.

Qty: _____ Gauge: _____ Color: _____ Cost/Piece: _____

By signing below you accept the design of the special trim/accessory. You also accept that these pieces are special order/made to order and are nonreturnable. You cannot file a discrepancy/cancel your payment with your credit card company due to the ordered piece not fitting your application. All measurements of final product will have a tolerance of +/- 1/8" from measurements above. Hems are made at 3/8". Degree of angle's are not guaranteed. Mid-Michigan Metal Sales reserves the right to not accept special trim requests due to difficulty and or capabilities of our folding equipment after purchase.
